It's
about
time

Fibrapan Hidrofugo

Fibrapan Hidrofugo

Moisture Resistant MDF

Save time. Save money. It's about time you try it.

Excellent machining quality

Our unique manufacturing process ensures a stronger, consistent bond in the core. Clean cut and perfect for routing. Specially selected timber with refined fibre quality.

Superior paint finish

Obtain a better finish with less work. A denser board that requires less preparation time and less paint, giving you an optimal finish.
